Re: License 24-15159-01

Dear Sir or Madam,

Under direct correspondence with SSM I am volunteering to become Radiation Safety Officer for SSM St Joseph Hospital. I am an authorized user under 10 CFR35.100, 200, 300 and trained extensively in radiation safety, regulatory issues and emergency procedures in these areas.

I have satisfactorily completed the requirements necessary in 35.50 and achieved a level of radiation safety knowledge sufficient to function independently as a Radiation Safety Officer for medical use of 10 CFR35.400.

If you have any questions or need further information, please contact Wally Fuhrman, Team Leader by the contact information below.
