Docket No. 40-9091

ORDER

The Natural Resource Defense Council ("NRDC") and the Powder River Basin Resource Council ("Powder River") are seeking an extension of the September 12, 2011 due date to file a request for a hearing on this uranium recovery application. NRDC and Powder River request at least a 45-day extension because of the length of the application and the late-summer vacation period. After reviewing the request, I am granting a 45-day extension for NRDC and Powder River. The new deadline for requesting a hearing is October 27, 2011.

This Order is issued under my authority in 10 C.F.R. § 2.346.

IT IS SO ORDERED.

For the Commission
