Docket No. 50-331

Honorable Robert D. Ray
Governor of Iowa
Des Moines, Iowa 50319

Dear Governor Ray:

I am forwarding Amendments No. 11 and 12 submitted by Iowa Electric Light and Power Company in connection with their application for the proposed Duane Arnold Energy Center.

Amendment No. 11, dated January 2, 1970, transmits a revised General Information portion to the application. The significant changes are that the ownership has been expanded to include a 10% ownership each by the Central Iowa Power Cooperative and the Corn Belt Power Cooperative and the new application revises the estimated construction costs and the earliest completion date for the proposed reactor.

Amendment No. 12, dated December 11, 1969, transmits revised information for incorporation in the Preliminary Safety Analysis Report.

Sincerely,

(signed) Harold L. Price
