Dear Mr. Stratton:

The Iowa Electric Light and Power Company, Cedar Rapids, Iowa, has filed an application for a license to construct and operate a boiling water nuclear reactor on the applicant's site near Palo in Linn County, Iowa.

The proposed reactor, designated as the Duane Arnold Energy Center, is designed for initial operation at approximately 1593 thermal megawatts.

Because of the site's proximity to the State of Illinois, this information is being furnished you as a matter of possible interest. A copy of a related notice which has been sent to the Office of the Federal Register for publication is enclosed.

Sincerely,

(signed) Harold L. Price

Harold L. Price
