Dear Dr. Long:

The Iowa Electric Light and Power Company, Cedar Rapids, Iowa, has filed an application for a license to construct and operate a boiling water nuclear reactor at the applicant's site located near the village of Palo in Linn County, Iowa.

The proposed reactor, designated the Duane Arnold Energy Center, is designed for initial operation at approximately 1593 thermal megawatts. The applicant estimates it will be ready for commercial operation by December, 1973.

A copy of a related notice which has been forwarded to the Office of the Federal Register for publication is enclosed for your information.

Sincerely,

Original Signed by C. K. Beck
