Note to Angie Giambusso

We have concurred in the attached letter. However, I would note that the letter, as proposed, responds only obliquely to the specific concerns (leakage by accident or vandalism) reflected in the Kilbergers' incoming letter.

Dear Mr. Culver:

We feel that the nuclear  
plant near Palo should not be allowed  
to operate as it is located too close  
to Cedar Rapids, Palo and Covington, Ia.  
Should there be any leakage in  
this plant by accident or vandalism it  
may wipe out all of us living  
hundreds and hundreds of miles  
around. We are asking you to  
intervene until the Iowa Court  
case has been settled. Your help  
is greatly needed and will be  
appreciated. Thank you.

Yours Truly,  
James and William Kilberger  
Swisher, Ia, 52338
