Mr. Fred Warren  
Federal Power Commission  
Room 4007  
441 G Street, N. W.  
Washington, D. C. 20426

Dear Fred:

In my conversation this morning with Mr. Crum, he requested copies of the motions for limited operation by the Consolidated Edison Company for Indian Point, Unit 2, the Commonwealth Edison Company for Quad Cities, Unit 1 and the Consumers Power Company for the Palisades plant. He also requested the applicant's report and any AEC statements that had been issued for the following plants:

Maine Yankee I, FitzPatrick I, Calvert Cliffs I,  
Three Mile Island, Beaver Valley, Cook I, Hatch I,  
Oconee 3, Crystal River 3, Zion 2, Arnold I,  
Prairie Island, Nuclear One - Arkansas, Ft. Calhoun,  
Cooper Nuclear I and Rancho Seco.

The requested material is enclosed, together with the packages of reports.

Sincerely,

LESTER ROGERS

Lester Rogers, Director  
Division of Radiological and  
Environmental Protection
