Dear Mr. Ruckelshaus:

In accordance with section 21(b)(2) of the Federal Water Pollution Control Act, as amended, we are pleased to provide you (for your determination of and notice to "other affected states") with a water quality certification issued by the Iowa Water Pollution Control Commission for the Duane Arnold Energy Center received under cover of a letter dated April 22, 1971, from counsel for Iowa Electric Light and Power Company, also enclosed.

An application for a construction permit for the Duane Arnold Energy Center was pending before the AEC on April 3, 1970, the effective date of section 21(b), and the Iowa Electric Light and Power Company received a construction permit for the plant on June 22, 1970. Accordingly, under section 21(b)(8), certification as to this plant is required on or before June 21, 1971.

Sincerely,

(signed) Harold L. Price

Harold L. Price
Director of Regulation
