05000285/2011007

Dear Mr. Bannister

Thank you for your letter dated August 17, 2011, in response to our July 18, 2011, letter and Notice of Violation (ML111881131) concerning the failure of Omaha Public Power District to assure that the cause of a significant condition adverse to quality was determined and corrective actions to preclude repetition of the condition for the reactor trip contactors in the reactor protection system were taken. We have reviewed your reply and find it responsive to the concerns raised in our Notice of Violation. We will review the implementation of your corrective actions during a future inspection to determine that full compliance has been achieved and will be maintained.

Sincerely,

/RA/

James F. Drake, Chief
