Hi Mr. Hale,

My name is Kay Cumbow and I work with CACC, Citizens for Alternatives to Chemical Contamination, based in Michigan. CACC is one of the intervenors to the ASLB on Fermi 3. I am requesting to be notified of any and all upcoming meetings on Fermi 3's COLA and also would like to be notified when there are new files regarding the proposed Fermi 3 added to NRC's database.

I came across the meeting below, which was scheduled for yesterday, which spurred my request.

07/28/11 Notice of Meeting To Discuss Open Items And Outstanding Requests For Additional Information Responses Relating To The Detroit Edison Combined License Application For Fermi Unit 3. ML111930563

Thank you.
