Nye County Notice of Submission of LSN Documents

Construction Authorization Board #4 (CAB04), in its Order of April 11, 2011, instructed each party to submit its LSN document collection, together with the associated bibliographic files, to the NRC Office of the Secretary on optical storage media for inclusion into the docket of this proceeding, and to notify all parties via the EIE when the submission had been completed. On Thursday, August 18, 2001 Nye County sent a DVD containing the LSN document collection and associated bibliographic files to the Office of the Secretary, along with the certification of Darrell Lacy, the Nye County LSN Responsible Official, as to the completeness and accuracy of the documents contained on the DVD. A copy of the transmittal letter is attached to this notice.

The transmittal confirms that Nye County's submission is a true and accurate representation of the Nye County materials available on the LSN at the time of the submission. By this notice Nye County is notifying all other parties, via the EIE, that Nye County has submitted its complete LSN file, in pdf format, to the Secretary, and has thus complied with the terms of the April 11, 2001 Order.
