Subject: Wednesday pm call

John,

For this afternoon's 3 pm call, I will not have any of our contractors participating because of contract problem. They should be available next week. As such, neither Samir nor Manas will join me for the call.

I do have several non-technical issues to discuss with you. Let's plan on continuing the 2 pm call on to Chapter 3.7/3.8 with at least just you and me.

Regards
