FOIA/PA REQUEST

Case No.: 2011-0326
Date Rec'd: 8-23-11
Specialist: Shennis
Related Case: _____

Good Afternoon:

My name is Ethan Schwartz and I am interested in making an information request from the NRC under the Freedom of Information Act.

I am interested in obtaining the daily public schedules of NRC Commissioner Kristine L. Svinicki for the entirety of her term as NRC Commissioner, which began in 2008 and continues to the present.

I understand there may be a cost associated with this request.

Please contact me at this email address or at [REDACTED] with any questions.

Thanks,
