Dr. Meadow,

No one else has expressed interest to me about supporting any of the parties positions in the hearing. Also I wanted to let you that this filings I sent you had mailing lists with them and they provided mailing addresses to the Commission Secretary and the Board Secretary. Those I believe are the addresses to use to make a request for a limited appearance if that is something you are still interested in doing.

Hope that helps
Laura

Hi Laura,

I've been looking into Contention 10C using the files that you sent to me and have some thoughts that might be meaningful. Can you tell me if anyone else has shown interest in supporting the NRC staff's position?

I read 10 CFR part 2.315 (Participation by a Person Not a Party) as you suggested below. The web page mentions oral or written statements and *amicus curiae* briefs, but it says nothing about how or whom to contact in the ASLB with my request. Can you explain?

Norm

Dr. Meadows,

The ASLB has not determine the schedule for the environmental contested hearing but it is on the agenda for a July 7, 2011, ASLB prehearing/meeting. On July 7, 2011, the Board will be hearing oral arguments on foreign ownership (another admitted contention in addition to the one on energy alternatives) and will also discuss the schedule for the environmental contention on energy alternatives. I wanted to let you know in case you wanted to attend, if not I can just tell you what the schedule/dates will be for the hearing (probably will be sometime in Jan/Feb 2012). The Prehearing will be here at NRC headquarters on July 7, 2011, and members of the public can attend and listen to the arguments (but cannot speak). In order to speak to the board, the ASLB must

approve a request for what is called a “limited appearance” which they typically do if there is a lot of public interest. The limited appearance is typically a few weeks before the actual hearing will take place. The regulations that explain how to make a limited appearance request are found at 10 CFR Part 2.315.

Hope that helps,

Laura
