Dear Ms. Magers:

On July 11, 1980, the Commission extended the time for consideration of the Director of the Office of Nuclear Reactor Regulation's denial of your request for enforcement action regarding an order suspension of license amendment for the Duane Arnold Energy Center. The time period for review elapsed on August 1 without the Commission taking any action to review in whole or in part. Therefore, the decision of the Director, pursuant to 10 CFR 2.206(c)(1), is the final agency action in this proceeding.

Sincerely,

Samuel J. Chilk  
Secretary of the Commission
