RE: Duane Arnold Energy Center
Docket No. 50-331
Nuclear Energy Liability
Insurance

Dear Mr. Saltzman:

Enclosed please find the following endorsements:

Endorsement Nos. 62 and 63 to ANI Policy

No. NF-214

Endorsement Nos. 51 and 52 to MAELU Policy

No. MF-72

These endorsements reflect replacement of standby coverage for use of linear accelerators at DAEC. Issuance of Endorsement No. 61 to the ANI Policy and Endorsement No. 50 to the MAELU Policy has been delayed pending approval of the form by the State of Iowa; issuance is expected shortly.

Very truly yours,

Kathleen H. Shea

Nuclear Energy Liability Insurance
NUCLEAR ENERGY LIABILITY INSURANCE ASSOCIATION

AMENDATORY ENDORSEMENT

1. The definition of "nuclear energy hazard" in addition to the meaning stated in the policy, shall also mean radiation arising out of the use of a linear accelerator while such accelerator is at the facility described in Item 3 of the Declarations.
2. The definition of "nuclear material" in addition to the meaning stated in the policy, shall include material made radioactive by the use of a linear accelerator while such accelerator is at the facility described in Item 3 of the Declarations.
3. The liability for which coverage is afforded under paragraphs 1 and 2 above must arise out of the use of a linear accelerator while such accelerator is at the facility described in Item 3 of the declarations and must arise during the calendar year in which this endorsement became effective. Insurance for liability arising out of the use of a linear accelerator during any subsequent calendar year that this policy is in existence shall be afforded under this policy only if an endorsement covering liability arising out of the use of such accelerator during such subsequent year is attached to the policy.

This is to certify that this is a true copy of the original Endorsement having the endorsement number and being made part of the Nuclear Energy Liability Policy (Facility Form) as designated hereon. No Insurance is afforded hereunder.
