Docket No. 50-331

Iowa Electric Light and Power Company
ATTN: Mr. Lee Liu
Chairman of the Board
and Chief Executive
Officer

IE Towers
P. O. Box 351
Cedar Rapids, IA 52406

Dear Mr. Liu:

This refers to the inspection conducted by Messrs. M. Parker and C. Miller of this office on April 29 through June 30, 1992. The inspection included a review of activities authorized for your Duane Arnold Energy Center (DAEC) facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of a selective examination of procedures and representative records, interviews with personnel, and observation of activities in progress.

Based on the results of this inspection, certain of your activities appeared to be in violation of NRC requirements, as specified in the enclosed Notice of Violation.

You are required to respond to this letter and should follow the instructions specified in the enclosed Notice when preparing your response. In your response, you should document the specific actions taken and any additional actions you plan to prevent recurrence. After reviewing your response to this Notice, including your proposed corrective actions and the results of future inspections, the NRC will determine whether further NRC enforcement action is necessary to ensure compliance with NRC regulatory requirements.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter, the enclosure, and your response to this letter will be placed in the NRC Public Document Room.
