Dear Mr. Liu:

SUBJECT: NRC ENFORCEMENT CONFERENCE REPORT NO. 50-331/92009(DRSS)

This refers to the Enforcement Conference conducted by Dr. C. J. Paperiello and other members of the NRC staff with Mr. R. W. McGaughy and other members of your staff on April 9, 1992, regarding activities authorized by NRC Operating License No. DPR-49 for the Duane Arnold Energy Center. The purpose of the conference was to discuss the circumstances surrounding the March 15, 1992, unplanned exposures of two personnel during inservice inspection of the recirculation system "A" riser. We have enclosed a report summarizing this discussion.

You will be notified by separate correspondence of our decision regarding the Enforcement Action based on the information presented and discussed at the Enforcement Conference. No response is required until you are notified of the proposed Enforcement Action.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be placed in the NRC Public Document Room.

We will gladly discuss any questions you have regarding this matter.

Sincerely,
