Dear Mr. Fiorelli:

The purpose of this letter is to confirm a telephone call to Mr. Knop from Mr. Gembler on March 2, 1977 that we were not able to complete the revision to Quality Assurance Directive 1318.2 by March 1, 1977 as expected and reported in the letter of reference (3). As stated to Mr. Knop, we now anticipate finalization of this Directive revision prior to May 1, 1977.

Very truly yours,
