Gentlemen:

This is in reply to your letter, dated June 9, 1976. Your letter requested that the completion of your 1976 operator requalification program be extended to March 1, 1977.

Your letter indicated that this request was being made because of the replacement operator training program that will be conducted from June through November of this year. Further, your letter indicated that your 1977 Operator Requalification Program would be completed in December 1977.

I hope this information will be of use to you.

Sincerely,
