Dear Dr. Hennemann:

This is in response to Mr. John Wood's email on your behalf stating that the nuclear medicine department at Ivinson Memorial Hospital decided to withdraw their request for an exemption to dispose of the Co-57 sources currently under your control. The withdrawal of the exemption request is noted. Therefore, this request is voided without prejudice to the resubmission of future request. You can contact me at 817-276-6596 if you have any further questions.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS).
