LARRY D. ROOT
ASSISTANT VICE PRESIDENT
NUCLEAR GENERATION

Mr. James G. Keppler, Director
Office of Inspection and Enforcement
Region III
U. S. Nuclear Regulatory Commission
799 Roosevelt Road
Glen Ellyn, ILL 60137

Dear Mr. Keppler:

This letter is our response to IE Bulletin No. 80-20 concerning the use of Westinghouse Type W-2 control switches. We have determined that no such switches are used in safety-related applications at the Duane Arnold Energy Center.

Expenditure of approximately 24 man-hours was required to make this determination.

Very truly yours,

Philip Dillard

Larry D. Root FOR
Assistant Vice President
Nuclear Generation
