Iowa Electric Response to Generic Letter 89-15
Reference: Emergency Response Data System, Generic Letter 89-15
File: A-101b, A-105

Dear Dr. Murley:

Generic Letter 89-15, "Emergency Response Data System" solicited the participation of those utilities which had not yet volunteered in the Emergency Response Data System (ERDS) program. The November 3, 1989 Semi-Annual Report of the Integrated Plan for the Duane Arnold Energy Center recorded our agreement to participate in the ERDS program.

We are in the process of determining the scope of work to be accomplished and the anticipated implementation date. When the implementation date is established (though consultation with Mr. John Jolicoeur, NRC ERDS Project Manager), that information will be included in our Semi-Annual Report of the Integrated Plan.

As requested by Generic Letter 89-15, our point of contact for follow-up discussions on ERDS-related matters will be Grant Harper of our Emergency Planning Department. Should you have questions regarding this matter, please contact Mr. Harper at (319)398-8177.

Very truly yours,

Daniel L. Mineck
