I contacted Jim and asked for the following additional information:

- Fax numbers and email addresses for Vickie Gay and Samuel Davis, if they have them.
- I requested that facility diagrams for stress labs 201 and 121 be submitted for use locations identified on the license. Jim stated that no room numbers existed for the Nuclear medicine location already identified in the current facility drawings.
- Jim confirmed that they do not possess nor use PET radiopharmaceuticals. He stated that the only NARM materials in their current possession were a Co57 sheet source and an evial source.
