Section 3.3 "Data Documentation," in Part 2 of MUAP-08014, provides citation summaries in Tables 3 and 4 of the OER source documents. Table 4 provides a citation summary for OER sources outside of the nuclear industry (non-nuclear). On pages 145 and 147, there are three references (below) to documents the staff did not find in Section 9 "References." Please address this discrepancy.
