Subject: License Termination

Roberto:

Everything with the merger is happening as planned. The documentation submitted through the State of Texas is effective today, therefore you can terminate the E&P Wireline Services license 42-29370-01 today. Thank you very much for your assistance and patience with this matter.

Thank you,

Subject: Reminder

All:

I am ready to terminate E&P Wireline license 42-29370-01 on September 1, 2011, the day of the business transaction. Please remember to send me an email on September 1 confirming that the transaction has been completed so I can execute the license termination on that same date. If the transaction date changes for whatever reason let me know and I will adjust the termination date to the new date. Thank you.
