SUBJECT: CONOPCO, INC., REQUEST FOR ADDITIONAL INFORMATION
CONCERNING FINANCIAL ASSURANCE DOCUMENTS, CONTROL NO.
575886

Dear Mr. Mills:

This is in reference to Mr. Randle's letter dated August 1, 2011 providing financial assurance for decommissioning for Nuclear Regulatory Commission License No. 29-30984-01. Thank you for submitting a new Surety Bond. In order to continue our review, we need the following additional information:

1. The Surety Bond was missing some elements as listed in our guidance document, NUREG-1757, Volume 3, "Consolidated NMSS Decommissioning Guidance Financial Assurance, Recordkeeping, and Timeliness." On the front page of the surety bond the state of incorporation of Conopco, Inc. was missing. The name and address of the facility, and amount for decommissioning activities guaranteed by the bond was not listed with the NRC license number. The business address for the Surety Company was not listed. In the bottom paragraph, the *Code of Federal Regulations Part 30* must be listed instead of "[insert 30, 40, or 70]." Please amend the Surety Bond with the above changes and submit an original copy.
2. Since the company supplying the Surety Bond has changed, some factors associated with the Standby Trust Agreement need amended. The Standby Trust Agreement dated November 10, 2004, and amended November 19, 2007, needs Schedule B amended to reflect the issuer of the Surety Bond.
3. The Standby Trust Agreement dated November 10, 2004, section 2 states the incorrect NRC license number. Please amend the Standby Trust Agreement to reflect your active NRC License No. 29-30984-01.
