Subject: Department of the Army, Request for Additional Information Concerning Application for a License Amendment, Control 575869

Dear Mr. Goldberg,

This is in reference to your letter dated August 16, 2011 requesting for amendment to Nuclear Regulatory Commission License No. 29-01022-06. In order to change the state on the mailing address, the license number must change. Your new license number will be 19-31447-02. When License No. 29-01022-06 amendment 64 was issued, the cover letter discussed that new financial assurance would be needed to support this change. In order to continue our review, we need the following additional information:

Please submit new financial assurance documents to support License Number 19-31447-02. You currently have a Certification of Financial Assurance and a Statement of Intent to support the financial assurance for License Number 29-01022-06.

We will continue our review upon receipt of this information. Please reply to my attention at the Region 1 Office and refer to Mail Control No. 575869. If you have technical questions regarding this letter, please call me at (610) 337-5366.

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your application.
