Tomorrow, 10:30 is fine!!!

>>> Richard Guzman 1/31/2007 11:21 AM >>>
Bob,

As indicated in my voice msg, John Lubinski would like to have an update on the current RES SOARCA activities and the proposed plan for DORL's support in terms of licensee interface. We can have the meeting in John's office (O8D4) tomorrow at 10:30am if you are available. If not, we can shoot for early next week.

Thanks,
Rich
