Bob - let's shoot for Monday. I'm in tomorrow so I'll work something out with John and let you know before Monday a.m.

I am not suppose to be in tomorrow. I am in late in the day, until 5:45 or so, can we do it late today. If that is not possible, can we do it on Monday.

Bob,

John Lubinski's calendar looks booked for today, but I'm working on a slot tomorrow or latest Monday. Are you in the office tomorrow (or Monday)?
