Jimi, Bob,

Grand Gulf can support a phonecall at 2pm today. We will meet in room O8E12. Please confirm you availability. I am still waiting on replies from Sequoya and LaSalle.

Thanks,
Rich

Attached is the summary of information that we shared with PB and Surry with some adjustments to apply to the licensees being called. Also attached is an email that identifies the Grand Gulf and Sequoyah NEI contacts and Jimi sent you an email on the Exelon west contact.

I have a call into NEI to identify the Exelon contact that committed LaSalle, as well. If you need anything else, please let me know!

Bob
