The Region III meeting is also scheduled for Dec 7 – 9. Let me know how you'd like to handle the potential schedule conflicts w/RI and RII having the same dates.

Rich

Jimi and Jon,

Just an update - the Region IV Counterpart meeting is scheduled for 11/30 to 12/2. The POC (Mike Hay) indicated that the agenda is wide open and can support some flexibility to accommodate your travels in the event the meeting overlaps w/Region III. The Region III POC is Julio Lara; I'm standing by for his initial response, and will coordinate proposed dates w/you both, once I firm up the available agenda time slots w/Region III.

Thanks,  
Rich

Thanks Jimi. I will request one on the 7<sup>th</sup> and the other for the 9<sup>th</sup> for the RI & RII meetings. I'm waiting on a call back from the Region III and IV POCs; don't have dates yet for those two.

Rich

Rich – The same SOARCA people will typically be involved in the briefings so going to RI & RII will be best if we can do one on the 7<sup>th</sup> and the other on the 9<sup>th</sup>.

Hi Jon,

Thanks for your patience on this request. My understanding is December 7-9 for Region I and II. Your agenda request has been forwarded to both those regions (separate requests). I'll need to get follow-up confirmations from both, as well as work on Region III and IV, when I get back to the office on 9/14. Will get back to you by next week.

Jimi - has there been (or are you expecting) any additional feedback from other Regional Deputies call - similar to what Jim Lyons received from Vic McCree re: RgnII Counterpart meeting?

Thanks,  
Rich

Hi Rich,

Do you know the dates for the inspector counterpart meetings at each of the regions? When will we find out what our date/time slot will be at each?

Thanks,  
Jon

Jon,

Using the table below, please provide as much information regarding the proposed SOARCA presentation and send back to me. My Region I contact indicated that the next counterpart seminar is scheduled for December 7-9. The region has not yet picked the committee members and the technical team lead, so the information you provide will go to the HR rep and will ultimately be presented to the committee for acceptance.

Thanks,  
Rich

Jon,

This is a great idea. I don't know if the dates have already been decided, but Region 1 typically has their fall counterpart meeting around the 1<sup>st</sup> week of December. I'll need to reach out to the other regions as well and get you the POCs for putting the agenda together. Will get back to you...

**Subject:** SOARCA Briefing at Inspector Counterpart Meetings

Hi Rich,

We would like to give a briefing on SOARCA at each region's Inspector Counterpart Meeting this November/December. Cyndi Pederson, the project's steering committee member for the regions, as well as the team feel this would be a great way to give regional staff some background on the project before the draft NUREG is released to the public for review and

comment in January 2011.

Please let me know what I would need to do in order to get on the agenda at each meeting.  
Have the dates/times been decided already?

Thanks for your help,  
Jon
