George,

I'm assisting the team from RES as the NRR Coordinator/HQ POC for their project - State-of the Art Consequence Analysis (SOARCA). I understand that you may be the right person to coordinate any scheduling inputs for the RII Counterpart meeting. The latest RII draft agenda shows RES scheduled for a 30 min slot (1p-1:30p) on 12/7; however, they are requesting an hour to go through their presentation. Is there any wiggle room to give them additional time (1 hr time slot) that same day? They plan to give the same presentation at Region 3 on 12/8 and at Region I on 12/9. I appreciate your help!

For your awareness, Richard Chang and Jimi Yerokun are the SOARCA PM and Team Manager in RES, respectively. Both are on Cc: for information.

Thanks,
Rich
