Thanks Richard. Jon Barr did indicate to me last week that was the intended direction. I do appreciate you keeping in the know.

Rich,

Sorry I have been out for the past 2 weeks, but I wanted to make sure that you were in the loop on this:

Jennifer has decided that since the regional briefings would only afford us an hour (and one of the regions opted to not have SOARCA on the agenda (I think it was RII)), we would hold a Webinar instead.

Thanks,
