Thank you for following up on this, Amy. You are correct that I was cc'd and was provided the attachment back in May.

Doug and Don,

Per our conversation last Friday, attached is a copy of the information submitted to the USFWS on May 31, 2011. This submittal included the discussion of potential T&E species on the proposed sites for wetland mitigation. You were both cc on this submittal and should have received a copy of the information.

Please let me know if you have any questions.
