Documents Title in ADAMS)

The information for Mr. Plumeri and Mr. Stanton was insufficient as to the qualifications for these two gentlemen. Ms. Nelson said that she would submit via facsimile material licenses with them listed as the authorized nuclear pharmacists. I then asked why they wanted a copy of the license mailed to another location in Orlando. She said that they had moved. I told her to request the mailing address change when she submits the additional information so that it could be completed in this license amendment.

**Action Required:**

Ms. Nelson will submit the additional request and amendment.
