

September 2, 2011

Mr. Richard W. Boyle, Chief
Sciences Branch
Division of Engineering and Research
Office of Hazardous Materials Safety
U.S. Department of Transportation
1200 New Jersey Ave., S.E.
Washington, D.C. 20590

SUBJECT: ACKNOWLEDGMENT LETTER - RECEIPT OF REQUEST FOR REVIEW

Dear Mr. Boyle:

By letter dated August 10, 2011, the Department of Transportation submitted a request for review of the United Kingdom Certificate of Approval No. GB/3750A/B(U)-96, for the Model No. R7008 transport package.

This letter acknowledges receipt of your request for review and informs you that the request appears to contain the necessary information to begin our technical review. We have established a schedule for the completion of the technical review. The schedule allows for the staff to issue a possible request for additional information (RAI) in November 2011. If no RAI is needed, and based on the staff's evaluation, we may provide a revalidation recommendation at approximately that time.

Please reference Docket No. 71-3059 and TAC No. L24558 in future correspondence related to this revalidation action. If you have any questions regarding this matter, you may contact me at (301) 492-3408.

Sincerely,

/RA/

Pierre M. Saverot, Project Manager
Licensing Branch
Division of Spent Fuel Storage and Transportation
Office of Nuclear Material Safety
and Safeguards

Docket No. 71-3059
TAC No. L24558
