RE: Radiation Safety Officer/Executive Management
Letter of Understanding

Dear RSO:

You have been appointed the Radiation Safety Officer (RSO) of this facility for our United States Nuclear Regulatory commission Materials License. This "Letter of Understanding" is prepared to comply with the Title 10 code of Federal Regulations (CFR) Part 35.24(b). This section of the regulations requires that you agree in writing to the following:

- Assume responsibility for implementation the Radiation Protection Program
- Ensure that radiation safety activities are being performed in accordance with our own approved procedures and all regulatory requirements

Furthermore, in compliance with 10 CFR 35.24(e), (g), the executive management of this facility agrees to provide you as RSO:

- Specific written notation of your authority, duties and responsibilities, see attached.
- Sufficient authority, organizational freedom, time, resources and management prerogative to:
 1. Identify radiation safety problems;
 2. Initiate, recommend or provide corrective actions;
 3. Stop unsafe operations; and
 4. Verify implementation of corrective actions

Our signatures noted below will attest to the issues noted above. Please make a copy of this document for your files and return the original to my attention.

Sincerely,

Cheryl Agent
Executive Management
