ASLBP No. 10-899-02-ML-BD01

September 7, 2011

MEMORANDUM AND ORDER
(Requesting Status Report
Regarding Memorandum of Agreement)

During the July 2011 evidentiary hearing on the National Environmental Policy Act/environmental-related portion of this mandatory hearing proceeding, the NRC staff advised the Licensing Board that it would apprise the Board if there were any developments regarding the staff's efforts to finalize the draft memorandum of agreement (MOA) regarding the treatment of historic/cultural resources on the EREF site during any preconstruction and construction activities undertaken by applicant AREVA. See Tr. at 639-40. Also, during that session the staff committed to providing the Board with a copy of the draft MOA if there was no objection by any of the signatory or concurring parties to the agreement. See Tr. at 640-41.

The Board requests that on or before Wednesday, September 14, 2011, the staff provide the Board with a report on the status of (1) the process for finalizing the MOA; and (2) submission of the draft MOA to the Board.

It is so ORDERED.
