Subject: U.S. EPR Design Certification Application RAI No. 493 (5810), FSAR Ch. 15

Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on June 6, 2011, and discussed with your staff on June 27 and 28, 2011. Draft RAI Questions 15.06.05-104, 15.06.05-111 and 15.06.05-112 were deleted and Draft Questions 15.06.05-101 and 15.06.05-106 were modified as a result of those discussions. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.
