John,

can you respond to Scott's question?

Thanks,  
Rich

**Subject:** SRP for Peach Bottom?

Rich,

One of our peer review members is asking if there is an SRP information available on Peach Bottom, specifically sections 3.7 and 3.8. As you know we sent him (John Stevenson) the FSAR information that he initially requested. Do you know if the SRP info is available to send to him and where to find it?

Thanks, Scott
