I don't mind, but I probably won't have much to say other than what you already know from our latest emails. That said, I have another meeting at 1:30p that may last an hour. I will try to join your team meeting via bridgeline by 2p.

Thanks,
Rich

Okay – thanks Rich. Would you mind if I put you on the agenda for a quick update on the fact checks for the team at tomorrow's weekly SOARCA meeting?

Hi Scott,

Karen is in contact w/her Surry POC, and is waiting to hear back for an update. Our understanding was that it would be completed by 4/30. We'll get back to you.

Thanks,
Rich

Hi Karen,
Have we heard anything recently from Surry on their progress on the fact check of the SOARCA documents?
Thanks, Scott
