Subject: SOARCA Webinar

Rich and Scott,

Just as an FYI- I have been calling the regional SRAs about their availability for a SOARCA webinar, and whether or not I could list one of them as a POC for the region. So far I have positive responses from the SRAs in Regions 1-3. I am still waiting on a response from Region 4.

I have not set anything in stone, and will update you guys before I book anything.

Thanks,

Richard Chang
