Re: License Number 47-24864-01

To Whom It May Concern:

Please amend our radioactive material license as follows:

1. Please remove Randall Blackburn, MD from the license. This physician is no longer providing services to our facility.
2. Radioactive materials identified in 10 CFR 35.400 will not be used unless a physician authorized user with this authorization begins providing services to the facility. The NRC will be notified prior to any future 35.400 usage.

Thank you for your attention to this matter.
