Unless otherwise stated in the SE, the NRC staff's review was based on Revision 1 of the application. The SE is being provided to support a meeting of the subcommittee of the ACRS scheduled for October 20, 2011. The ACRS full committee meeting will be held after the subcommittee meeting.

In accordance with the memorandum to the ACRS dated March 17, 2010 (ML100700612), the staff has reviewed the submitted information against the categories for which the ACRS requested be used to highlight information for review by the committee. The staff's assessment of this chapter is that there are no items that meet the categories for discussion with the committee.
