TRAINING: None

REMARKS: The following inspection procedures have been revised to improve guidance on unfettered access, possession, and control. Added policy to inform licensee prior to removing copies of licensee controlled documents from the site and for inspectors to purge unnecessary licensee documents when no longer reasonably needed (FF 0620-1484). Revised the record retention guidance to conform to 36 CFR. Added guidance on information requests including the required Paperwork Reduction Act Statement.

DISTRIBUTION:
