Subject: Physical Security Plan has been accepted for review

AREVA NP Richland Facility Physical Protection Plan, Version 6.0, has been accepted and is currently under review. Please reference TAC number L33164 for all future correspondence associated with this action.

Please note that the complete technical review may identify omissions in the submittal information or technical issues that require additional information.

Based on our acceptance review and projection of current schedules, we anticipate completing our assessment by January 2012. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.

If you have any question, please let me know.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this email will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of the NRC's document system (ADAMS).
