

October 23, 2002

To Whom It May Concern:

I willingly accept the position of Radiation Safety Officer for West Shore Medical Center.

I understand that my duties in this position include the following:

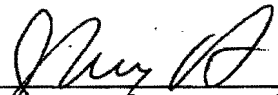

- *Implementing the Radiation Protection Program
- *Identify radiation safety problems
- *Initiate, recommend, or provide corrective actions
- *Stop unsafe operations
- *Verify implementation of corrective actions

I also understand that you the licensee, will provide me as the RSO sufficient authority, organizational freedom, time resources, and management prerogative to perform the above listed duties and responsibilities.

Thank you for your cooperation in this matter.

Sincerely,

RECEIPT ACKNOWLEDGED

John Raymond, M.D. Radiologist
Radiation Safety Officer

Burton O. Parks, President

Date: 10/27/02

Date: 10/28/02
