Declaration of Pro Se Representative

I, Raymond Shadis, duly appointed representative of Friends of the Coast and New England Coalition made a sincere and honest attempt to follow the aforementioned reply and Memorandum before midnight on September 13, 2011. That attempt was frustrated by a computer/server malfunction and the filing was delayed for some portion of an hour past midnight and was therefore filed late.

Trusting that this several minutes delay will cause no undue inconvenience to any party ,

I respectfully request a one hour extension of time until 1 AM, September 14, 2011

10 C.F.R. § 2.323(a) Certification

Friends/NEC has consulted the parties to this proceeding seeking accord concerning this request for extension; but for the NRC Staff, which has no objection to an extension, we have not been able to reach accord.

Submitted this 15th day of September 2011.

Electronically signed
Raymond Shadis
