**Subject:** Work orders

Paul,

I believe that these are the work orders on the ABFP.

WR 224495 WO 262780

WR 224497 WO 262779, 243455.

I believe these will give you the information you need? I will send you the KT in a few minutes. (got to take the kids to school, delayed opening)

Bob
